JUDGMENT

Heard.

The petitioner has a statutory remedy under the Land Conservancy Act and Rules against the impugned order. She has filed Ext.P4 revision, a statutory one before the competent authority. That revision is dated 29-1-2007. If the petitioner is desirous of obtaining interim order to govern the parties during the pendency of that revision, the District Collector has a necessary authority to do so. Without prejudice to the petitioner taking recourse to such remedy, this writ petition is dismissed. However, in order to enable the petitioner to move any such application for interim relief, the orders impugned in Ext.P4 revision will be kept in abeyance for a period of ten days.
